**Controlling Officer,
ARIS Cell**

CC to: O/I, ARIS Cell, RPCAU, Pusa (along with the soft copy and hard copy) with a request to place the quotation notice and bidding document on the University website: www.rpcau.ac.in

EOI Document

1. **Objectives and scope of the requirement:** The Scope of Work (SoW) for this Expression of Interest (EOI) includes:

- a) Infrastructure work of room (31' x 12.5'), including false ceiling, false flooring, cable routing, air conditioning, Power Supply, electrical works and required civil work as per requirements.
- b) Designing of Network plan to accommodate two parallel leased line connections to be used simultaneously as well as in fail safe condition.
- c) Provision of monitoring and automatic Data logging facility should be incorporated within a system.
- d) Integration of existing servers with the new system.

2. **Instruction to bidders:** This is two stage bidding system. Initially the competent firms/ agencies will be shortlisted on the basis of eligibility criteria and power point presentation before the University officials. During PPT presentation there will be wide technical discussion about the technical and financial aspects for establishment of LAN in order, to have technical specifications of the project laid down, quality benchmark, warranty requirements, delivery milestones etc to full fill the objectives of transparent procurement.

In second stage of billing, the bid will be invited from at least three shortlisted firms with well-developed Bid having Technical Bid and Financial Bid based on the technical discussion during PPT presentation. For better transparency open tender may be invited depending upon the numbers of shortlisted firm during EOI.

3. **Format for submission:** The interested bidders will be required to submit detailed technical vision document of the proposed software development and related hardware at the time of PPT presentation.

4. **Eligibility Criteria :**

All bids will primarily be evaluated on the basis of Prequalification criteria. The Evaluation committee will carry out a detailed evaluation of the proposals, only those who qualifies all prequalification criteria, are eligible for evaluation of technical bids.
