Patna: The Rajendra Prasad Central Agricultural University (RPCAU) has registered 100 percent placement in MBA rural management programme, said programme coordinator of the university, Ram Datt Mishra. He told **TOI** that the average salary secured by the students of 2021-23 session stood at Rs 4.75 lakh per annum. The highest package of Rs 8.30 lakh was offered to one Sumona Roy, who has been placed at Pradan. This study programme was launched in the university in 2018. All the 13 scholars of this programme were suitably placed in different organisations.

In yet another programme of MBA agribusiness, offered by the varsity, more than 90 percent students have been placed at various reputed organizations. "The highest package of Rs 9.50 lakh per annum was offered to Soni Tiwari by UPL. The average packa-

ge offered to a batch of 34 students was Rs 6.00 lakh per annum. The placement is still on and the remaining students are likely to be absorbed soon," Mishra said.

He further pointed out that RPCAU is the only agricultural university in the country which has started MBA rural management programme across all the 63 states and three central agricultural universities in India.

VC of RPCAU, P S Pandey congratulated all the students of the school for their grand placement and hoped that the

school would further shine in the coming years.

Prominent organisations which participated in the recent placement drive included UPL, Yara Fertilizers India Pvt. Ltd, Mahyco, etc, (agri-input sector), Annapurna Finance, Satya Microcapital (microfinance sector) and Pradan, Syngenta Foundation and others. The glorious placement record of the school reflects its strong industry connect and the relevance of its curriculum in the students' career growth.
