

## IMPORTANT NOTICE

All the students of Undergraduate and Post-graduate courses, whose examinations are scheduled from tomorrow (i.e. 31/03/2021) are hereby informed that the following guidelines and instructions must be strictly followed. This is decided on an emergency meeting and decisions taken under the aegis of the Vice Chancellor and senior officials on 30/03/2021 at 8:15 pm, and the decisions are laid down as below:

1. All the students (8 Nos.) who are tested positive for the Corona test will be quarantined in the University Hospital for next 10 days.
2. The exams which were scheduled from 31/03/2021 will recommence from 12/04/2021.
3. As you are aware that so far more than 80 students were tested for Corona Test, and the remaining students (both boys and girls) will be tested for Corona, through kit within two days starting from 31/03/2021.
4. It is further, to inform that if infections are less than 10%, the classes will start with all precautions and the scheduled examinations will start on 12/04/2021, as stated above.
5. And, in case more than 10% Corona positive cases are recorded, the classes will be postponed and decision on Semester Crash will be taken.
6. The students are also advised to inform their parents, need not to be panic as they are in safe place.

The decisions were taken with the one to one discussion with students and the Vice Chancellor, along with the senior faculty at the residence of Vice Chancellor and in principle all have agreed for the above mentioned.
