

Organizing Committee

Chief Patron

Dr. R.C. Srivastava, Vice Chancellor, RPCAU, Pusa

Patrons

Dr. S.R. Chowdhury, Dean CBS&H, RPCAU

Dr. M.N. Jha, DE, RPCAU, Pusa, RPCAU

Advisory Committee

Dr. T. Mohapatra, DG, ICAR

Dr. N.P. Singh, VC, BUAT

Dr. O.N. Singh, VC, BAU, Ranchi

Dr. Arvind Kumar, ICRISAT, Hyderabad

Dr. Kuldeep Singh, ICAR-NBPGR

Dr. Priti Krishna, WSU, Australia

Dr. A.K. Singh, ICAR-IARI, New Delhi

Dr. B.M. Prasanna, CIMMYT

Dr. N.K. Singh, ICAR-NIPB, New Delhi

Dr. R.K. Varshney, ICRISAT, Hyderabad

Dr. Vojislava Grbic, UWO, Canada

Dr. G.P. Singh, ICAR-IIWBR, Karnal

Dr. Ashwani Pareek, NABI, Mohali

Dr. S. Jambhulkar, BARC, Mumbai

Dr. T.R. Sharma, ICAR-IIAB, Ranchi

Dr. Anand Prakash, MGCU, Motihari

Dr. P.B. Kirti, A.B.F., Hyderabad

Dr. K.K. Rout, OUAT, Bhubaneswar

Dr. M.K. Modi, AAU, Jorhat

Convener

Dr. M. Kumar, DR, RPCAU, Pusa

Co-convener

Dr. N. K. Singh, ADR, RPCAU

Dr. Sanjay Singh, ADR, RPCAU

Dr. V. K. Sharma, HoD, AB&MB

Organizing Secretary

Dr. B. D. Prasad

Dr. Sangita Sahn

Co-organizing Secretary

Dr. Kumari Anjani

Organizing Committee Member

Dr. Rajeev Kumar

Dr. Ashutosh Singh

Dr. M. Thudi

Dr. Sweta Mishra

Dr. Sarita Kumari

Dr. Satish Singh

Dr. K. L. Bhutia

Dr. Rajesh Kumar

Application Form

Full Name:

Designation:

Institute:

Address:

Contact Number :

E-mail :

Accommodation: Required/not required

Whether presenting abstract/paper :

Title of Paper :

Theme of the abstract/paper:

Mode of presentation: Oral/Poster

Details of registration fee paid:

Mode of payment: Online/Cash

Reference No. of payment:

Travel itinerary: Arrival Departure

Signature of Applicant

Accommodation

Accommodation for delegates and participants will be provided in the university guest house/hotels in Samastipur/ Muzaffarpur on request and payment basis.

International Conference ON Biotechnological Initiative for Climate Resilient Agriculture

(In Hybrid Mode)

January 7-9, 2022

Registration link:
<https://forms.gle/JPjuVGJM5TcFPwyL7>

Organized by

Department of AB&MB

Dr. Rajendra Prasad Central Agricultural
University, Pusa

In Collaboration with

NHEP

About RPCAU, Pusa

Dr. Rajendra Prasad Central Agricultural University (formerly known as Rajendra Agricultural University) is recognized as an institution of national importance for the development of agriculture and for the furtherance of advancement of learning and pursuit in agriculture and allied sciences. RPCAU is headquartered at Pusa (Bihar), which is distinguished as the birth place of agricultural education and research in the country. With the mandate to make provisions for education, research and extension in agriculture and allied sciences, the university has established its special significance in the eastern region of the country. It has emerged as a vibrant organization with its focus on quality education, cutting edge research and technology dissemination to achieve ecologically sustainable agriculture and to provide decent livelihood to the farming community. Consecutive second year, it has been ranked in top ten government universities of the country by India Today.

About the Conference

Global food demand is expected to grow substantially with the population increase to over 9 billion people by 2050. A "next generation Green Revolution" is essentially required to ensure future food security. Radical new concepts and approaches are needed to achieve more sustainable development of agriculture. The next Green Revolution requires a much broader and system-based approach that includes a holistic consideration of the environment, economy and society, across all levels of organization. Biotechnological intervention has the potential to boost agricultural production primarily through the development of climate-resilient crop varieties. This international conference on "Biotechnological Initiative for Climate Resilient Agriculture (BICRA)" aims to bring together a galaxy of researchers and academicians to exchange and share their experiences.

Theme Areas

- Biotechnological Intervention for Crop Improvement
- Genome Editing
- Molecular Breeding
- Plant Tissue Culture
- Host-pathogen Interaction
- Bioinformatics & Nanotechnology
- Post Harvest Technology
- Soil Health Management
- Animal Biotechnology & Immunology

Important Dates

- Early bird registration : **25th Dec 2021**
Last date of registration : **03rd Jan 2022**
Abstract submission : **01st Jan 2022**
Notification of acceptance : **04th Jan 2022**

Lightning Round for Students and Young Researchers on their posters

Awards

The best oral and poster presentation award of each thematic area will be awarded in the conference.

Submission of Abstract

Abstracts not exceeding 300 words on any of the aforesaid themes should be either uploaded online in the registration form sent to the organizing secretary through email at bicra2022@gmail.com.
