"PG Students Conclave-2024"

Background

Dr. Rajendra Prasad Central Agricultural University, Pusa, Samastipur, Bihar is an Institution of National Importance. Among the eight constituent colleges of RPCAU, Pusa, five colleges, namely PG College of Agriculture, College of Agricultural Engineering & Technology, College of Basic Sciences & Humanities, College of Community Sciences and College of Fisheries, offer PG and Ph.D. programs in various subjects of agriculture and allied sciences. The university offers 27 M.Sc. programs and 14 Ph.D. programs. The students are carrying out their Master's and Doctoral research in various emerging fields of Agriculture and allied sciences as a compulsory component of their degree program.

The Programme

Dr. Rajendra Prasad Central Agricultural University, Pusa, Bihar, proudly announces the organisation of the "PG Students Conclave-2024" in conjunction with the Foundation Day of PGCA. This prestigious event is an initiative to foster scholarly exchange among PG and Ph.D. students across various disciplines of agriculture and allied sciences. The conclave will feature a series of thematic presentations, including resource conservation technology, farm innovations, stress management in crops, digital agriculture, and the socio-economic dimensions of agricultural research. It aims to highlight the innovative research being undertaken by our students in these critical areas. Participants are invited to contribute, ensuring a diverse and enriching experience for all. The event underscores our commitment to advancing agricultural sciences and research excellence.

Thematic areas

- 1. Resource Conservation Technologies**
- 2. Farm Innovations Under Changing Climatic Scenario**
- 3. Biotic and Abiotic Stress Management**
- 4. Digital Agriculture**
- 5. Nutritional Security and Socio-economic Dimensions of Agricultural Research**
